

# Journalism

The Journalism class will educate students in the fundamentals of news reporting and create a bi-monthly newspaper (The Wolverine) for students, staff and parents. Students will be involved in every step of production and be responsible for keeping up on all aspects of our school.

Students will also use outside news sources to observe the impact of newspapers and the services they provide to community. And of course, students will learn the rudiments of proper journalistic news reporting, a skill which will benefit students in a number of academic settings.

As subsequent issues are created, published and distributed to students and the TIPS community, the Wolverine staff will be expected to take on a more active role in writing, decision-making and publishing.
