Descriptions of Programs

Early Morning Complementary Programs	
Fitness & Wellbeing	Summer Physical Education is an opportunity to gain fitness and health in a relaxed, positive training environment. Participants will do a 110-minute daily class of fitness to help get into shape and feel great!
Minimum number of students: 4	
Creative Coding by Tokyo Coding Club	<ul style="list-style-type: none"> • Category 1: Coding/Programming (Learn the basics of programming with Minecraft) • Category 2: Robotics (Learn robotics using the following student friendly tools: Arduino, Sphero Bolt & RVR, Robotics) • Category 3: Design & Animation (Design your own character while learning about 3D animation) • Category 4: Video Production (Create your own videos and upload onto YouTube) • Category 5: Music Production (Make your own music and share it with friends)
Minimum number of students: 2	
Painting	Students will use watercolor paints to practice shading, line control and composition. Fun projects will allow students to explore color mixing and shape comparison, all within the theme of nature.
Minimum number of students: 1	
Social Skills Training Program (Ages: 13-18)	<p>This PEERS inspired program is a social skills training program which is aimed at teens who may have difficulty in socializing with peers, or who may have other social challenges.</p> <p>It aims to provide teens with the tools to develop conversational skills including entering and exiting conversations, appropriate use of humor, planning get togethers, showing good sportsmanship and handling rejection.</p> <p>This program is ideal for teens who are motivated to have more peer interactions, create new friendships and learn how to maintain them.</p> <p>Prerequisites: attendee must want to join this program and be keen to learn such skills as listed above. Intake survey will be conducted to ensure the student is suitable for this program.</p>
Participant number of students: 3-5	
Academic Programs	
Minimum number of students: 3	
1	Reading A versatile program that meets learners' needs, our reading sessions will help prepare students for the reading load of their next academic year. Targeted skills include comprehension and critical thinking skills such as summarization and inference, presented in a reading circle style.
2	Writing Various forms of writing structures are taught and practiced in this writing course. From mechanics of writing to polishing the writer's voice, this course is for all grade levels.
3	Math Skills This course focuses on reviewing the previous academic year skills and previewing the next year's topics. An individual approach focuses on the gaps a student experiences in math.
Late Afternoon Complementary Programs	
Teamwork Building	The goal of this course is to improve students' ability to work as part of a team. Elements of teamwork, such as communication, accountability, and trust, will be taught via the use of team exercises and games (both physical and video) with a common goal.
Minimum number of students: 3	
Exam Prep for SAT	Students will practice the SAT exam skills in both math and language categories. Students will be supported on an individual basis as required.

TIPS Summer School Information and Policy

Payment/Cancellation Policy

Payment Policy

2 weeks prior to the 1st day of class	50% Refund (Registration fee will be charged.)
1 weeks prior to the 1st day of class	25% Refund (Registration fee will be charged.)
Less than 1 weeks prior to the 1st day of class	0% Refund (Registration fee will be charged.)

TIPS School Policy

Attendance information

Attendance and punctuality are critical for successful completion of any course taken in the TIPS Summer School. Attendance is taken by minutes missed. If a student misses more than 10% of the class minutes for any reason, no grade report or certificate will be issued. However, we consider the case of exceptional circumstances such as illness or family emergencies. (You may be requested to submit proof of your reason for absence.) Please notify the school as soon as possible for any absence.

Class Make-Up

We do not provide make-up classes for students of group classes. However, we can try to arrange a private make-up class, if requested, at an additional cost. For private classes, we will make an effort to arrange make-up classes without charge for unavoidable exceptional circumstances. Please notify us at least 24 hours prior to the class if you would like to request a make-up. Because of the tight schedule of summer school, there are no guarantees for make-up classes.

Sign-in and Sign-out

Students are required to sign-in and sign-out at the entrance counter.

First Day of Class & Enrollment Receipt

Classroom locations will be posted at the school entrance. Students should arrive 15 minutes early on the first day only to allow time to find the classrooms.

Lunch

During the lunch break, students who have finished grades 8 - 11 are allowed to go out to get lunch at convenience stores or shops near TIPS. The sign-out and sign-in procedure is required. Students are allowed to eat outside as long as they are on time for the next class.

Younger students will be supervised in our lunchroom and must bring their lunch with them. In the school building, the lunch area will be the student common room.
