## Grade 5 English Language Arts Outline 2023-2024

Ms. Zyvatkauskas, Room 33

### DESCRIPTION OF COURSE

Grade 5 English Language Arts topics include Listening, Speaking, Reading and Writing. This course introduces the main literary genres such as fiction and nonfiction, short stories, and more. We will follow the 5th grade Common Core Standards throughout the year and students will be assessed on their mastery of the standards.

During the year students will learn various reading strategies, and be able to apply them to various texts. Students will improve their ability to write and respond to writing prompts. The hope is that students will support their answers to writing prompts by using information gathered from texts and other resources. We will also give students opportunities to work on oral communication by expressing and sharing ideas. Additionally, we will work on improving student's vocabulary, spelling, and grammar skills.

### STUDENT EXPECTATIONS

Students are required to bring their pencil case, water bottle, headphones or earphones, computer, English language arts work and any materials for accommodations (e.g. noise-canceling earbuds). Students may not eat food during class.

Once students enter the classroom, they are expected to sit quietly and wait for the instructions for the day.

Students will be expected to use IXL to support their learning. Students may be given textbooks or novels. If a numbered lent textbook or novel is not returned in usable condition by the required date, your family will be asked to pay for a replacement for the book.

If assignments are not submitted by the assigned due date, parents will be informed and the student will be required to attend WIN to complete the incomplete assignment.

For every day a student is excused, tardy or absent, they will have two school days to complete any work from the missed class(s). All assignments and paperwork that was due at the beginning of the missed class (e.g., homework, projects, reports, signed papers, etc.) will be due on the day of return. Students have a responsibility to ask the teacher for any missed work from their absences.

If a student requires more time to complete their assignment, the student must take responsibility and inform the teacher with the reasons for needing extra time. If the reasons are legitimate, the teacher will set a new due date for the assignment. If a student is unable to complete the assignment by the new designated due date, the student will earn a zero as their grade for that assignment.

If a student receives a D+ or lower on a test, quiz, or project, the student will receive the opportunity to have a re-make. In this case the teacher will provide them the opportunity to do so, and it will vary depending on the task.
