Speaking Socially

DESCRIPTION OF COURSE

Speaking Socially is a group designed to allow students a safe space to learn and practice social skills along with language needed for social interactions and different forms of communication. Through various activities such as group discussions, group work and projects, sharing own ideas and values and through games, students will practice a range of these skills. Students are encouraged to voice their opinions, ideas and to also listen to others.

STUDENT EXPECTATIONS

Students are expected to participate in all class activities, raise their hand if they have something to say and/or ask. Students are also expected to sit in their seats unless they request to stand or sit elsewhere. When asked to finish an activity or project at home, they are expected to bring it in the next session to show the SLP.

Many of the student behavioral expectations are based on and include **6P**:

- **Positive, Pleasant & Polite**
- **Prepared, Punctual & Productive**

Students are required to bring:

- Pencil case (pen, pencil, eraser)

Students may bring their water bottle to class, but NO food or gum.
